ADVISORY: Thanksgiving Travel

NEW YORK, November 18, 2026—Looking ahead to next week's Thanksgiving travel, Christina Ciocca, Chief Membership Officer of Travelzoo® (NASDAQ: TZOO), the club for travel enthusiasts, explains how travelers can secure complimentary airport lounge access in case of flight delays.

Nearly 20 million travelers will pass through airports over the upcoming Thanksgiving holiday. Many of us will experience cancellations and delays. "This holiday season, as a Travelzoo Club Member, if your flight is delayed by an hour or more, I've negotiated complimentary lounge access for you and up to three guests to escape the chaos," says Ciocca.

“You might think that a benefit like this comes with your credit card or other programs. But, check the fine print: They usually come with limitations and lengthy terms & conditions. Here is how this Travelzoo benefit is different:

- It's not just for trips that you found on Travelzoo or from our partners. It's good for any flight booked anywhere.
- It doesn't matter where, when or how you booked your flight. Whether directly with an airline or through a booking platform, travel agent or your credit card. Even with miles or points—it doesn't matter.
- The program includes more than 1800 lounges at 500 airports worldwide.
- It's unlimited. The benefit covers you without any extra fees.”
