Aimco Sponsors Aurora Public School Foundation's Annual Fundraiser

AURORA and DENVER, CO, September 30, 2020 – Aimco has recently expanded its presence in Aurora with projects like The Fremont Residences and its growing partnership with the Anschutz Medical Campus and Fitzsimons Redevelopment Authority. The Fremont, a six-story, Class A luxury building with 253 apartments and townhomes neighbors 21 Fitzsimons at the heart of the Anschutz Medical Campus.

True to its values, Aimco is committed to being a good neighbor and investing in the communities where it does business.

In support of Aurora Public School (APS) students and their scholastic endeavors, Aimco is one of several businesses sponsoring the Aurora Public School Foundation's annual fundraising event - which is virtual this year. The APS Gala for 2020 is titled 'Relentless' - an homage to their student's pursuit of education in trying times.

“Similar to our scholarship programs for teammates and students in affordable housing, the APS Foundation supports college and career centers, and provides scholarships and philanthropic support to area schools,” said Patti Shwayder, Aimco’s Senior Vice President of Strategic Partnerships. “This aligns perfectly to our values and consistent support of local communities.”

The evening of celebration will be held virtually on Friday, Oct. 2 at 6:30 p.m. Attendees can tune in for free after registering at AuroraTV.org.

Viewers will enjoy inspiring student stories, musical performances, messages from district leadership, and an auction. Auction items include a Gaylord of the Rockies Resort & Convention Center presidential suite stay-cation, a BMW race car experience, a private dinner catered by Gateway High School’s ProStart Culinary Program students and more.

To learn more about this event, and to watch the virtual celebration, visit the Aurora Public School Foundation's website: http://www.educateaurora.org/.
