On Friday, August 2, **Tyler Technologies, Inc. (NYSE: TYL)** will hold a conference call to discuss the company's second quarter 2002 results. The teleconference will begin at 10:30 a.m. Central Time and will be hosted by John Yeaman, president and CEO, and Brian Miller, vice president – finance.

Tyler Technologies is a premier provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to make local government more accessible to the public, more responsive to needs of citizens, and more efficient. The company has an installed client base of nearly 6,000 government offices in 49 states, Canada and Puerto Rico.

Tyler recently announced that the State of Minnesota had signed a contract for statewide implementation of Tyler's *Odyssey Case Management* system. The total estimated value of the software and professional services contract is approximately $11,000,000. With the signing of this contract – the largest software and services contract in the Company's history - Tyler puts a capstone on the launch of *Odyssey*, the first completely new, web-based case management system available to the court marketplace.

With a strong market position in the large and growing local government IT sector, Tyler's recent results have shown year-over-year growth, increasing profitablity, and growing EBITDA. For the first quarter of 2002, EBITDA (earnings from continuing operations before interest, income taxes, depreciation and amortization) increased 63% to $3.0 million, or $0.06 per diluted share, from $1.8 million, or $0.04 per diluted share, for the first quarter of 2001.

To reserve your attendance, please contact Premier Conferencing at **(800) 289-0579** and refer to confirmation code 651991. To participate in the teleconference, please dial **913-981-5508** a few minutes before the start time. The conference call can also be accessed (in listen-only mode) by visiting the company's Web site at www.tylertechnologies.com.

We hope you will be able to join us.

Sincerely,

Ric DeCastro
