FOR IMMEDIATE RELEASE

TYLER TECHNOLOGIES RECEIVES $39.3 MILLION IN CASH FROM SALE OF HTE SHARES

Dallas, Texas, March 26, 2003 —Tyler Technologies, Inc. (NYSE: TYL) announced today that it has received in full its cash consideration of $39.3 million in connection with the sale of Tyler's 5.6 million shares of HTE, Inc. (HTE) common stock. The shares were sold to SunGard Data Systems Inc. pursuant to a Tender and Voting Agreement dated February 4, 2003.

Tyler's original cost basis in the HTE shares was $15.8 million, and the investment was classified as an available-for-sale security on Tyler's balance sheet. The realized gain on the sale of the investment will be included in income from continuing operations for the quarter ending March 31, 2003.

Tyler expects to use a significant portion of the cash from the HTE sale to expand its existing stock repurchase program. Tyler repurchased 1.5 million shares of its common stock in the last half of 2002. Tyler also has a current authorization in place to repurchase up to one million additional shares, and has repurchased 767,500 shares in open market transactions from January 1, 2003 through March 25, 2003 under that ongoing program.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments.
