**About Newtopia**

Newtopia is a tech-enabled habit change provider focused on disease prevention and reducing the cost of care for health insurers. As a provider of whole person care, we prevent, reverse and slow the progression of chronic disease while enriching mental health, resilience and overall human performance. Newtopia's programs leverage genetic, social and behavioral insights to create individualized prevention programs with a focus on type 2 diabetes, heart disease, stroke and weight. With a person-centered approach that combines virtual care, digital tools, connected devices and actionable data science, Newtopia delivers sustainable clinical and financial outcomes. Newtopia serves some of the largest nationwide employers and health plans and is currently listed on the Toronto Stock Exchange (TSXV: NEWU).
