October 30, 2015

MarketAxess to Join S&P Mid-Cap 400 Index

New York, Thursday October 29, 2015 - MarketAxess Holdings Inc. (Nasdaq: MKTX), the operator of a leading electronic trading platform for fixed-income securities, and the provider of market data and post-trade services for the global fixed-income markets, will join the S&P MidCap 400 Index after close of trading on Friday October 30.

The S&P MidCap 400 index is designed to measure the performance of 400 mid-sized companies in the U.S., reflecting the distinct risk and return characteristics of this market segment. Stocks in the index are selected according to criteria including market capitalization, liquidity, price, financial viability, sector and company type.

MarketAxess will be added to the S&P MidCap 400 Finance Sub-Industry index.

About MarketAxess

MarketAxess operates a leading electronic trading platform that enables fixed-income market participants to efficiently trade corporate bonds and other types of fixed-income instruments using MarketAxess' patented trading technology. Over 1,000 institutional investor and broker-dealer firms are active users of the MarketAxess trading platform, accessing global liquidity in U.S. high-grade corporate bonds, emerging markets and high-yield bonds, European bonds, U.S. agency bonds, credit default swaps and other fixed-income securities. MarketAxess SEF Corporation has received temporary registration from the U.S. Commodity Futures Trading Commission to operate a swap execution facility. MarketAxess also offers a number of trading-related products and services, including: market data to assist clients with trading decisions; connectivity solutions that facilitate straight-through processing; technology services to optimize trading environments; and execution services for exchange-traded fund managers and other clients. Through its Trax® division, MarketAxess also offers a range of pre- and post-trade services, including trade matching, regulatory transaction reporting and market and reference data, across a range of fixed-income products. Trax is the trading name of Xtrakter Ltd., a MarketAxess group company.

MarketAxess maintains its headquarters in New York and has offices in London, Boston, Chicago, Los Angeles, Salt Lake City, São Paulo, Hong Kong and Singapore. For more information, please visit www.marketaxess.com.
