Background Note:

Acal is a leading European value-added distributor providing specialist design-in, sales and marketing services for international suppliers in the fields o Electronic Components, IT Parts Services and Medical and Scientific products. Organised into two divisions, Acal has 14 principal trading companies o which 8 are in Continental Europe and 6 in the UK.

Acal is now Europe's strongest multi-disciplined design-in electronics distributor and has always differentiated its offering with a strong focus on demand creation and a highly skilled technical sales force. This division also includes Vertec Scientific which operates in both the UK and South Africa representing leading manufacturers in the field of bone densitometry, medical imaging and diagnostics. The IT Parts Services division provides spare parts to field services organisations and is a supplier to virtually every leading company in that market.
