Notes to Editors:

About Acal plc

Acal is a European leader in advanced technology solutions, providing marketing, engineering, design, manufacturing and other services through two divisions: Specialist Electronics and Supply Chain. The Electronics division is Europe's leading specialist electronics supplier and the only such provider with an infrastructure to deliver a broad complementary range of specialist products and bespoke solutions across Europe. The Electronics division has completed four acquisitions in the last three years, more than doubling its underlying Electronics revenues. Acal's long term strategy is to gain significant additional market share through both organic growth and acquisition and to further enhance its value adding capabilities. The Supply Chain division provides inventory optimisation and outsource solutions to leading technology service providers.

Acal has operating companies in the UK, Netherlands, Belgium, Germany, France, Italy, South Africa, Spain, the Nordic region and South Korea.
