Notes to Editors:

About Acal plc
Acal is a European leader in advanced technology solutions through two divisions: Specialist Electronics and Supply Chain.

The Electronics division provides specialist electronic, photonic and medical products, manufacturing, design, engineering and marketing services to the industrial and healthcare sectors. It is the only such provider with an infrastructure to deliver a broad complementary range of specialist products and bespoke solutions across Europe. The Electronics division has completed seven acquisitions in the last four years, more than trebling its specialist revenues. Acal's strategy is to further enhance its leadership position through organic growth, complementary acquisitions and continued enhancement of its custom service capabilities. The division has operating companies across Europe including the UK, Germany, France, Benelux, Italy, Poland, Spain and the Nordic region as well as Asia (China and South Korea) and Africa (South Africa). Businesses comprise Acal BFi, Hectronic, MTC, Myrra Group, RSG, Stortech, Vertec and Young Electronics Group.

The Supply Chain division provides inventory optimisation and outsource solutions to leading technology service providers.
