About Acal plc
Acal is a leading European designer, manufacturer and distributor of custom electronics.It supplies technologically demanding, differentiated products and solutions to industrial and healthcare companies which use them for their own product innovation. Acal has two divisions: Custom Distribution and Design & Manufacturing. The majority of sales come from customised products and solutions, which are either created uniquely for a customer or sourced exclusively. The Group works across a range of technologies, including Electromagnetics, Power and Communications. It operates through the following wholly-owned companies: Acal BFi, Hectronic, MTC, Myrra, Noratel, RSG, Stortech and Vertec. Acal has operating companies and manufacturing facilities in a number of markets, including the UK, Germany, France, the Nordic region, Benelux, Italy, Poland and Spain, as well as in Asia (China, India, Sri Lanka and South Korea), the US and South Africa.
