CSG Invotas to Host Open House Celebrating New Global Headquarters

Grand Opening to Feature Lively Discussions and Demonstrations with Global Cybersecurity Experts

ENGLEWOOD, Colo.--(BUSINESS WIRE)-- [CSG Invotas](#), the innovative enterprise security business from [CSG International \(NASDAQ:CSGS\)](#), today announced that it will host an open house and ribbon-cutting ceremony on September 10, 2014 to celebrate its new global headquarters in Alexandria, Virginia. The special event will also feature a seminar on automated threat response capabilities, live demonstrations of Invotas's ground-breaking solutions, a tour of the new facility, and a VIP reception.

[Dr. Gary McGraw](#), chief technology officer of Cigital, best-selling author, and recognized software security expert, will deliver the keynote address, "[Cyber War, Cyber Peace, Stones and Glass Houses](#)." Dr. McGraw will discuss the need for national cybersecurity policies that focus on the latest security engineering technology in order to develop better and more secure software.

The open house will also feature a live demonstration of CSG Invotas [Security Orchestrator™](#), an automated threat response platform that integrates threat data and security technologies from a single console to accelerate security decisions. Tours of the new facility and less formal discussions with executive leaders at CSG and CSG Invotas, including members of the Invotas advisory board, will be scheduled throughout the day.

CSG Invotas will host a meet-and-greet happy hour from 4:30 p.m. to 6:30 p.m. at the [Chart House](#) restaurant, adjacent to Invotas headquarters.

Who: [Peter Kalan, President and Chief Executive Officer, CSG International](#)
[Mike Henderson, President, CSG Invotas](#)
[Paul Nguyen, President, Global Security Solutions, CSG Invotas](#)
[Fred Brott, President, Government Solutions, CSG Invotas](#)
[Gary McGraw, Chief Technology Officer, Cigital](#)

What: CSG Invotas open house celebration, featuring a keynote address, an automated threat response seminar, and live demonstrations of CSG Invotas [Security Orchestrator](#). Presentations will include automated threat response examples such as phishing attacks and infected VPN scenarios that demonstrate Security Orchestrator's unique capabilities to accelerate response time from an hour or more to less than a minute

Where : Open house: CSG Invotas Headquarters
201 North Union Street, Suite 350
Alexandria, VA 22314
Reception: [The Chart House restaurant](#)
One Cameron Street
Alexandria, VA 22314

When: Wednesday, September 10, 2014
Open house: 2:00 p.m. to 4:30 p.m.
Reception: 4:30 p.m. to 6:30 p.m.

"The Washington, D.C. area provides access to global security communities, conferences, and companies that lead the world in the delivery of innovative security capabilities," said [Mike Henderson, President of CSG Invotas](#). "The workforce has the skills and education necessary to meet the demanding challenges of the cyber market. We look forward to sharing our unique perspective on cybersecurity and our automated threat response capabilities with this thriving community."
