Parties interested in listening to a replay of the presentation can use the same link as the live webcast. <http://www.wsw.com/webcast/jeff41/gpre/>

About Green Plains Renewable Energy, Inc.

Green Plains Renewable Energy, Inc. (Nasdaq:GPRE) is North America's fourth largest ethanol producer, operating a total of six ethanol plants in Indiana, Iowa, Nebraska and Tennessee with annual expected operating capacity totaling approximately 480 million gallons. Green Plains also markets and distributes ethanol for four third-party ethanol producers with annual expected operating capacity totaling approximately 360 million gallons. Green Plains owns 51% of Blendstar, LLC, a biofuel terminal operator which operates nine blending or terminaling facilities with approximately 495 million gallons per year of total throughput capacity in seven states in the south central United States. Green Plains operates grain storage facilities and complementary agronomy and petroleum businesses in northern Iowa and southern Minnesota.

This news release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, as amended. Such statements are identified by the use of words such as "anticipates," "estimates," "expects," "will," "predicts," "intends," "plans," "believes," and other words and terms of similar meaning in connection with any discussion of future operating or financial performance. Such statements are based on management's current expectations and are subject to various factors, risks and uncertainties that may cause actual results, outcome of events, timing and performance to differ materially from those expressed or implied by such forward-looking statements. Green Plains may experience significant fluctuations in future operating results due to a number of economic conditions, including, but not limited to, competition in the ethanol and other industries in which the company competes; commodity market risks, financial market risks, counter-party risks, risks associated with changes to federal policy or regulation, and other risks detailed in the company's reports filed with the Securities and Exchange Commission, including its Annual Report on Form 10-K, as amended, for the year ended December 31, 2009 and in the company's subsequent filings with the SEC. Green Plains assumes no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The cautionary statements in this report expressly qualify all of our forward-looking statements. In addition, the company is not obligated, and does not intend, to update any of its forward-looking statements at any time unless an update is required by applicable securities laws.
