SAN ANTONIO--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Villas at Presidio, its latest new, single-family home community situated in a popular area of San Antonio near family entertainment and an abundance of outdoor recreation. The new homes at Villas at Presidio are designed for the way people live today, with popular design features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage space. The community's floor plans feature up to six bedrooms and three baths. The community is located just four miles from highly rated Northside ISD schools.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Innovative design plays an essential role in every home KB builds. The company’s floor plans are designed for contemporary living, with a focus on creating roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient, and to provide healthier indoor air environments. Thanks to quality construction techniques and materials, every home KB builds is ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — to deliver greater comfort, well-being and utility cost savings than new homes without certification.
