LAS VEGAS--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of its newest community, Brevi, located in a highly desirable southwest Las Vegas neighborhood. The new homes at Brevi are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms, bedroom suites with walk-in closets, and ample storage space. The two-story floor plans offer up to five bedrooms and four baths. Homeowners will also appreciate Brevi's planned community amenities, which include a park with open space.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer area homebuyers a new collection of spacious floor plans in one of southwest Las Vegas’ fastest growing neighborhoods,” said Aaron Hirschi, Regional General Manager of KB Home. “Brevi is situated close to family friendly recreation, and buyers will appreciate the planned on-site amenities, which include a park with open space. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Brevi is situated in a commuter-friendly location that offers homebuyers an exceptional lifestyle. The new community is located just north of West Silverado Ranch Boulevard at the corner of Arville Street and West Gary Avenue, providing easy access to Highway 160, Interstate 15 and Interstate 215 as well as the area’s major employment centers and Harry Reid International Airport. Brevi is minutes away from shopping, dining and entertainment at Town Square and the world-famous Las Vegas Strip. The new community is also close to Exploration Peak Park and Mountain’s Edge Regional Park and a short drive to outdoor recreation at Red Rock Canyon National Conservation Area.

The Brevi sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the mid \$400,000s.
