KB Home Announces the Grand Opening of Its Newest Community in Lakeland, Florida

3/18/2024

Wilder Pines offers personalized, spacious, new homes near local schools, major area employers and downtown Lakeland, priced from the \$300,000s.

ORLANDO, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Wilder Pines, its latest new-home community in Lakeland. These new homes are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms and expansive bedroom suites with walk-in closets. The community's one- and two-story floor plans feature up to five bedrooms and three baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in the Lakeland area spacious new one- and two-story homes in a desirable location," said Fred Wyborski, President of KB Home's Orlando division. "Families will appreciate the community's access to local schools, major employers and downtown Lakeland for shopping and dining. At KB Home, we're here

to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Wilder Pines is situated in a desirable location in Lakeland, which is home to 38 lakes to enjoy outdoor recreation. Situated off Wilder Road, the community provides easy access to US-98 and Highway 33 and is minutes away from major employers, including Publix® Corporate, GEICO® and Lakeland Linder International Airport. Residents will also enjoy the community’s proximity to downtown Lakeland for shopping and dining and Bonnet Springs Park and Saddle Creek Park for biking and fishing.

The Wilder Pines sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$300,000s.

About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States, operating in 47 markets from coast to coast, and building over 680,000 quality homes in our more than 65-year history. What sets KB Home apart is our focus on building strong, personal relationships with every customer — from those buying their first home to experienced buyers — so they have a real partner in the homebuying process. No two KB homes are the same. That’s because every home is uniquely built for each customer, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first national builder to make a broad commitment to building ENERGY STAR® certified homes, a standard that fewer than 10% of new homes nationwide meet, and KB Home has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to deliver greater comfort and well-being than new homes without certification. Reflecting the company’s commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.
