

Inspired Entertainment Goes Live Across Alberta's Newly Regulated iGaming Market

2026-07-13

NEW YORK, July 13, 2026 (GLOBE NEWSWIRE) -- Inspired Entertainment, Inc. ("Inspired" or the "Company") (NASDAQ: INSE), a leading B2B provider of gaming content, systems and solutions, today announced that its online gaming content is now live across multiple operators following the official launch of Alberta's newly regulated competitive iGaming market.

Inspired's portfolio of online slot games is available to players through a broad range of operators, including bet365, BetRivers, DraftKings, Golden Nugget, Caesars Palace, BetMGM, PartyPoker, Sports Interaction, Betty, FanDuel, The Score, and Stardust Casino. This builds on Inspired's existing presence in Alberta, where its games are already available through Play Alberta, the province's government-operated online gaming platform.

The successful launch follows Inspired's approval by the Alberta Gaming, Liquor and Cannabis Commission (AGLC) earlier this year as an iGaming Goods or Services Supplier, enabling the Company to supply content to licensed operators participating in the province's regulated market.

"The launch of Alberta's regulated competitive market represents an important milestone for the Canadian gaming industry, and we are excited to see our content available across multiple licensed operators from day one," said Brooks Pierce, President and Chief Executive Officer of Inspired. "North America remains a significant growth market for Inspired, and this launch further expands the reach of our online gaming portfolio."

The Alberta launch further expands Inspired's presence in regulated markets, where the Company has a proven track record of delivering high-quality online gaming content that helps operators engage players and drives long-term performance.
