2024-10-02

NEW YORK, Oct. 02, 2024 (GLOBE NEWSWIRE) -- Inspired Entertainment, Inc. ("Inspired" or the "Company") (NASDAQ: INSE), a leading provider of B2B gaming content, systems, and solutions, announced Loto-Québec will be the first customer in Canada to offer the Hybrid Dealer Roulette game in the fourth quarter of 2024.

Hybrid Dealer is a new, US patented, game-changing online product category that offers players casino and gameshow content without the challenges associated with live-dealer products.

Hybrid Dealer Roulette is the second Hybrid Dealer game launched by Inspired, featuring stunning Virtual CGI and pre-recorded real-life hosts. The online game is designed to mimic a live casino experience, with a countdown timer to place bets before each round begins and all players seeing the same results at the same time.

In this scheduled multi-player experience featuring leaderboards and chat, players will be part of a dynamic social gaming experience. With every spin, players will be treated to high-quality graphics and audio that engage and entertain.

"We are thrilled to bring this innovative new game to Loto-Québec's players, a first for Canada," said Brooks Pierce, President and Chief Executive Officer of Inspired. "Hybrid Dealer is a whole new category of games, and through our advanced technology, Loto-Québec will be able to provide a realistic branded Roulette experience to their online players."

"This collaboration demonstrates our commitment to offering the best online casino experience for our players through innovative solutions," said Francois Hardy, senior director at Loto-Québec. "We continuously seek new ways to enhance the player experience and keep our audience entertained. Inspired's Hybrid Dealer Roulette game is an exciting innovation that we are confident will resonate with our players."
