

Inspired Unveils Enhanced Gaming Solutions at G2E: Boosting Growth and Engagement — Booth #4216

2025-10-02

NEW YORK, Oct. 02, 2025 (GLOBE NEWSWIRE) -- Inspired Entertainment, Inc. ("Inspired" or the "Company") (NASDAQ: INSE), a leading provider of B2B gaming content and systems, is set to showcase its latest advancements at the Global Gaming Expo (G2E) at the Venetian in Las Vegas, Nevada, from October 7-9. The Company is excited to highlight how Inspired's content drives opportunities and success for operators across its diverse digital and retail portfolio.

One of the highlights includes Inspired's proven **Hybrid Dealer**[®] line, which innovatively combines live dealer elements with RNG efficiency. This solution eliminates the need for physical studios by utilizing CGI, green screens, and authentic footage to create a seamless, captivating experience. Inspired has launched this pioneering line with numerous operators, including BetMGM with **MGM Bonus City**[™], Caesars Entertainment with **Caesars Palace Wheel of Wins**[™], and more recently, FanDuel with **FanDuel Tailgate Takeover**[™], a football-themed Hybrid Dealer game. The portfolio, customer base, and geographic reach are expanding rapidly, demonstrating strong market momentum.

Building on this momentum, Virtual Sports takes a leap forward with the unveiling of **Soccer 3.6**[™]. This new release introduces **Bet Builder**[™] mechanics that offer customized, multi-outcome wagers, enhancing interactivity. At the same time, Inspired broadens the scope of Virtuals, with differentiated content designed for both retail and online audiences, such as **Fortune Flyer**[™], a fast-paced, crash-inspired racing game. Fortune Flyer provides multiple betting opportunities, quicker event cycles, and a broader range of volatility.

Delivering across multiple segments, Inspired's **Valiant**[™] **cabinet** continues to outperform with fun, engaging games featuring graphics, mechanics, and math profiles specifically tailored to resonate with North American players. One of the most anticipated games on display at G2E is **Jaguar Gems**[™], which embodies the "familiar but fresh" philosophy by taking **Wild Mighty Tembo**[™], a player favorite, and enhancing gameplay with pseudo-persistence, a feature that maintains game state across sessions. Additionally, seasonal titles will be introduced, promising to put everyone in a festive mood.

Central to Inspired's diverse portfolio is its omni-channel content, which ensures seamless engagement

across digital and retail platforms. At G2E, the Company will showcase the breadth of its iGaming lineup, highlighting high-performing franchises, seasonal slots, and innovative features.

Among the key titles is **Wolf It Up! Again™**, from the popular **Wolf It Up!™** franchise, which continues to grow in strength and brand appeal across North America. Seasonal titles such as **Werewolf It Up!™** (arriving in time for Halloween) and **Wolf It Up! Christmas™** will also be introduced, emphasizing Inspired's commitment to seasonal and engaging content.

In addition, another key iGaming reveal is **Gold Cash Free Spins Super Wheel™**, which features a new multiplayer persistence mechanic called **Player Link™** (US patent application no. 63/880). This industry-first mechanic allows players on the same stake to share a single **Super Wheel** across all games, along with a never-before-seen bonus game, further demonstrating Inspired's innovation in creating engaging, player-centric experiences.

Brooks Pierce, President and CEO of Inspired, said: "At this G2E, Inspired continues to demonstrate its dedication to delivering engaging, scalable solutions that meet the evolving needs of operators and enhance the gaming journey for players worldwide. This is a pivotal moment as we showcase our vision for the future of gaming, focused on innovation, quality, and creating experiences that drive growth and loyalty."
