## API Group Completes Acquisition of CertaSite

2026-02-03

NEW BRIGHTON, Minn.--(BUSINESS WIRE)-- API Group Corporation (NYSE: APG) ("API" or the "Company") announced that on February 2, 2026, it completed its previously announced acquisition of CertaSite, an inspection-first provider of comprehensive fire and life safety services in the Midwest region. The acquisition will complement API's position as a premier provider of safety services focused on non-discretionary, regulatory driven, recurring revenue opportunities. CertaSite is expected to be accretive to API's "10/16/60+" shareholder value creation framework driven by its inspection-first strategy, strong EBITDA margin profile, and an asset light business model.

Russ Becker, API's President and Chief Executive Officer stated: "We welcome our new CertaSite teammates to the API family. We are uniquely positioned to partner with CertaSite to accelerate its people-first and inspection-first strategies, and we can't wait to get to work pursuing the opportunities and synergies this acquisition will provide. We begin 2026 with a strong balance sheet and a robust M&A pipeline and look forward to continuing our 20+ year history of growing both organically and through accretive M&A."
