## Sanmina Wins Partner/Supplier of the Year Award from the Irish Medtech Association

1/22/2019

SAN JOSE, Calif., Jan. 22, 2019 /PRNewswire/ -- Sanmina Corporation (Nasdaq: SANM), a leading integrated manufacturing solutions company that makes some of the world's most complex and innovative electronic, optical and mechanical products, today announced that the **Irish Medtech Association** has named Sanmina Ireland as Partner/Supplier of the Year, 2018.

Located in Fermoy, Ireland, Sanmina's facility was established nearly thirty years ago and has evolved to become a global supplier of complex medical systems and a key employer in the region. Over the years, the facility has produced a broad range of advanced medical products that make a difference in people's lives.

"Sanmina is honored to be named the MedTech Partner/Supplier of the Year 2018," said Sean Moran, VP Operations and plant manager at Sanmina, Ireland. "We take great pride in the longstanding partnerships we have with our customers, producing some of the most advanced medical devices in the world on high volume, automated production equipment." Representatives from Sanmina Ireland accepted the award at the Irish MedTech Awards ceremony in Cork, Ireland in December, 2018.

Collaborating with leading medical device and healthcare companies, Sanmina designs and manufactures a broad range of blood and molecular diagnostics, medical imaging and patient monitoring equipment, along with high volume class II and III medical devices. Sanmina operates 20 high technology medical manufacturing facilities all over the world, and has been producing medical products for over 25 years.
