About ASTEC

Astec, (www.astecindustries.com), is a manufacturer of specialized equipment for asphalt road building, aggregate processing and concrete production. Astec's manufacturing operations are divided into two primary business segments: Infrastructure Solutions, that includes road building, asphalt and concrete plants, thermal and storage solutions; and Materials Solutions that includes our aggregate processing and mining equipment. Astec also operates a line of controls and automation products designed to deliver enhanced productivity through improved equipment performance.
