1 Represents assets managed by MIM at estimated fair value as of December 31, 2022.
3 Represents responsible investments managed by MIM at estimated fair value as of December 31, 2022. MIM may periodically refine or otherwise modify its definition of responsible investments and the components thereof based on data availability or other factors.
4 Due to the long history of the program, spend figures from 2003 through 2007 are approximated.
5 MetLife’s carbon neutrality efforts apply to global owned and leased offices, vehicle fleets (Scope 1 and 2 emissions) and employee business travel (Scope 3 Category 6).
6 The Net Zero Commitment applies to GHG emissions from MetLife, Inc.’s global owned and leased offices and vehicle fleets, employee business travel, supply chain and assets in MetLife’s General Account investment portfolio, which includes the general accounts of MetLife, Inc.’s wholly owned insurance company subsidiaries, where reliable data and methodologies are available. While reliable methodologies and data sets pertaining to certain GHG emissions are not available at this time, MetLife is committed to identifying and measuring relevant climate data as methodologies and standards evolve. Emissions are tracked in accordance with the Greenhouse Gas Protocol, unless otherwise directed by regulators. Additional information about MetLife’s General Account investment portfolio is available under “Fact Sheets” on the MetLife Investor Relations website at https://investor.metlife.com.
