

WSFS Bank Significantly Expands ATM Network by adding 87 ATMs to Serve Greater Philadelphia and Delaware

April 20, 2020

Customers will have access to 560 ATMs across the region with more coming soon

WILMINGTON, Del., April 20, 2020 (GLOBE NEWSWIRE) -- WSFS Bank today announced its ATM network is expanding from 473 ATMs to 560 to serve Customers across Greater Philadelphia and Delaware, significantly increasing coverage in Philadelphia and South Jersey.

The more than 560 ATMs are located across Greater Philadelphia and Delaware, including WSFS' 91 banking offices and at various locations including Walgreens, retail centers, and many other convenient locations. As retailers open after the passing of the current pandemic, WSFS will continue to expand to more than 600 ATMs.

"Having quick, safe, and easy access to their WSFS accounts is important for our Customers, and we are pleased to increase our coverage during this unprecedented time," said Dominic C. Canuso, CFO of WSFS Bank and Executive Leader of Cash Connect. "Our new ATMs are located across our footprint at places our Customers frequent every day, making it even easier to access their money and WSFS services. For decades we have been committed to providing our Customers with the preeminent ATM delivery channel in our marketplace, and this expansion demonstrates that continued commitment."

During these challenging times, WSFS encourages Customers to access its digital channels for their everyday banking needs. In addition to its expanded ATM network, including cardless ATMs at banking offices and 76 Walgreens locations, Customers can use myWSFS, a secure mobile application that allows Customers to communicate with a WSFS banker via text, initiate transactions, ask questions, resolve issues and more. Customers who are interested can download this new application from the Apple Store and Google Play Store. WSFS is one of the first banks in the country to offer this innovative technology platform that provides the convenience of digital banking with a human touch.

For 24/7 access and availability, Customers can access online banking and the WSFS mobile app to view transactions, check balances, deposit checks and more. Customers can also send and receive person-to-person payments via Zelle® in the mobile app. For more information, please visit wsfsbank.com.
