

Rockwell Medical Signs Three-Year, Multi-Million Dollar Supply Agreement with Largest Non-Profit Dialysis Provider in the United States

2/2/2023

WIXOM, Mich.--(BUSINESS WIRE)-- Rockwell Medical, Inc. (the "Company") (Nasdaq: RMTI), a commercial healthcare company focused on providing life-sustaining products for patients suffering from blood disorders and diseases associated with the kidney, announced that the Company signed a three-year, multi-million dollar per annum product purchase agreement with the largest non-profit dialysis provider in the United States. As part of the agreement, Rockwell Medical will be the preferred supplier of liquid and dry acid and bicarbonate concentrates to this non-profit dialysis provider's hemodialysis facilities located throughout the United States.

"We are excited to enter this long-term agreement which includes both supply and purchasing commitments as it will strengthen our revenue base over the next three years," said **Mark Strobeck, Ph.D.**, President and CEO at Rockwell Medical. "This arrangement is the first of many that we anticipate establishing this year in order to grow our hemodialysis concentrates business and drive Rockwell towards profitability in 2024. Hemodialysis concentrates is Rockwell's core focus and competency. Given the disruptions that other suppliers have experienced recently, we are determined now more than ever to become the global leader in this market."

In the United States, the in-center hemodialysis concentrates market is currently valued at \$380 million and is anticipated to grow to approximately \$500 million by 2026, driven primarily by an increasing number of patients suffering from end-stage kidney disease. Rockwell is the second largest supplier of life-sustaining hemodialysis concentrates products to dialysis clinics in the United States. An indispensable player in this large and expanding market, Rockwell Medical is one of only two suppliers that has the manufacturing scalability and transportation infrastructure to service the over 7,500 dialysis clinics in the United States along with select international markets.
