Warner Bros. Discovery Confirms Receipt of Amended, Unsolicited Tender Offer from Paramount Skydance

2025-12-22

NEW YORK, Dec. 22, 2025 /PRNewswire/ -- Warner Bros. Discovery, Inc. ("Warner Bros. Discovery" or "WBD") (NASDAQ: WBD) today confirmed that it has received an amended, unsolicited tender offer from Paramount Skydance Corporation ("Paramount Skydance" or "PSKY") (NASDAQ: PSKY) to acquire all of the outstanding shares of Warner Bros. Discovery common stock (the "Amended Tender Offer").

The Warner Bros. Discovery Board of Directors (the "Board"), consistent with its fiduciary duties and in consultation with its independent financial and legal advisors, will carefully review and consider Paramount Skydance's offer in accordance with the terms of Warner Bros. Discovery's agreement with Netflix, Inc. ("Netflix") (the "Netflix Merger Agreement").

Paramount Skydance's Amended Tender Offer follows the WBD Board of Directors' unanimous rejection of Paramount Skydance's previous unsolicited tender offer received on December 8, 2025 (the "December 8 Tender Offer"). The WBD Board carefully reviewed the December 8 Tender Offer and determined that it provided inadequate value and imposed numerous significant risks and costs on WBD and its stockholders, and did not meet the criteria of a "Superior Proposal" under the Netflix Merger Agreement.

The Board is not modifying its recommendation with respect to the Netflix Merger Agreement.

Warner Bros. Discovery will review the Amended Tender Offer and advise its stockholders of the Board's recommendation after the completion of that review.

Warner Bros. Discovery stockholders are advised not to take any action at this time with respect to the amended Paramount Skydance tender offer.

Allen & Company, J.P. Morgan and Evercore are serving as financial advisors to Warner Bros. Discovery and Wachtell Lipton, Rosen & Katz and Debevoise & Plimpton LLP are serving as legal counsel.

Such statements are based upon the current beliefs and expectations of the management of WBD and Netflix and are subject to significant risks and uncertainties outside of our control.

Among the risks and uncertainties that could cause actual results to differ from those described in the forward-

looking statements are the following: (1) the completion of the proposed transaction may not occur on the anticipated terms and timing or at all; (2) the occurrence of any event, change or other circumstances that could give rise to the termination of the proposed transaction; (3) the risk that WBD stockholders may not approve the proposed transaction; (4) the risk that the necessary regulatory approvals for the proposed transaction may not be obtained or may be obtained subject to conditions that are not anticipated; (5) risks that any of the closing conditions to the proposed transaction may not be satisfied in a timely manner; (6) the final allocation of indebtedness between WBD and Discovery Global in connection with the separation could cause a reduction to the consideration for the proposed transaction; (7) risks related to potential litigation brought in connection with the proposed transaction; (8) the risk that the integration of the businesses will be more difficult, time consuming or costly than expected; (9) risks related to financial community and rating agency perceptions of each of WBD and Netflix and their businesses, operations, financial conditions and the industries in which they operate; (10) risks related to disruption of management time from ongoing business operations due to the proposed transaction; (11) failure to realize the benefits expected from the proposed transaction; (12) effects of the announcement, pendency or completion of the proposed transaction on the ability of WBD and Netflix to retain customers and retain and hire key personnel and maintain relationships with their suppliers, and on their operating results and businesses generally; (13) risks associated with third party contracts containing consent and/or other provisions that may be triggered by the proposed transaction; (14) negative effects of the announcement or the consummation of the proposed transaction on the market price of WBD and/or Netflix common stock; (15) risks relating to the value of the shares of Netflix common stock to be issued in the proposed transaction and uncertainty as to the long-term value of Netflix common stock; (16) the potential impact of unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of Netflix's operations after the consummation of the proposed transaction, and on the other conditions to the completion of the proposed transaction; (17) risks related to the potential impact of general economic, political and market factors on the companies or the proposed transaction; (18) the risk that Discovery Global, as a new company that currently has no credit rating, will not have access to the capital markets on acceptable terms; (19) the risk that Discovery Global may be unable to achieve some or all of the benefits that WBD expects Discovery Global to achieve as an independent, publicly-traded company; (20) the risk that Discovery Global may be more susceptible to market fluctuations and other adverse events than it would have otherwise been while still a part of WBD; (21) the risk that Discovery Global will incur significant indebtedness in connection with the separation, and the degree to which it will be leveraged following completion of the separation may materially and adversely affect its business, financial condition and results of operations; (22) the ability to obtain or consummate financing or refinancing related to the proposed transaction or the separation upon acceptable terms or at all; (23) uncertainties as to how many WBD stockholders will tender their shares in the tender offer; (24) the conditions to the completion of the tender offer, including the receipt of any required stockholder and regulatory approvals; (25) PSKY's ability to finance the tender offer and the indebtedness PSKY expects to incur in connection with the tender offer; (26) the

possibility that PSKY may be unable to achieve expected synergies and operating efficiencies within the expected timeframes or at all and to successfully integrate PSKY's operations with those of PSKY, and the possibility that such integration may be more difficult, time-consuming or costly than expected or that operating costs and business disruption (including, without limitation, disruptions in relationships with employees, customers or suppliers) may be greater than expected in connection with the tender offer; and (27) the response of WBD, Netflix or PSKY management to any of the aforementioned factors. Discussions of additional risks and uncertainties are contained in WBD's and Netflix's filings with the SEC, including their Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, and will be contained in the Form S-4, containing a proxy statement/prospectus, to be filed by Netflix in connection with the proposed transaction and the registration statement to be filed by Discovery Global in connection with the separation.
