Prothena to Report Fourth Quarter and Full Year 2015 Financial Results and Host Webcast Conference Call on February 18

DUBLIN, Ireland, Feb. 04, 2016 (GLOBE NEWSWIRE) -- Prothena Corporation plc (Nasdaq:PRTA), a late-stage clinical biotechnology company focused on the discovery, development and commercialization of novel protein immunotherapies, announced today that it will report its fourth quarter and full year 2015 financial results on Thursday, February 18, 2016, after the close of the U.S. financial markets. The announcement will be followed by a live audio webcast and conference call at 4:30 PM ET.

The webcast will be made available on the Company's website at www.prothena.com under the Investors tab in the Events and Presentations section. Following the live audio webcast, a replay will be available on the Company's website for at least 90 days.

To access the call via dial-in, please dial (877) 887-5215 (U.S. toll free) or (315) 625-3069 (international) five minutes prior to the start time and refer to conference ID number 33151950. A replay of the call will be available until February 25, 2016 via dial-in at (855) 859-2056 (U.S. toll free) or (404) 537-3406 (international), Conference ID Number 33151950.

Separately, Prothena's presentation time at the upcoming **Leerink Partners 5th Annual Global Healthcare Conference** on February 11, 2016 has changed. Prothena will participate in a fireside chat at 9:20 AM ET in New York, NY. The event will be webcast and available on the Company's website at www.prothena.com under the Investors tab in the Events and Presentations section.

About Prothena

Prothena Corporation plc is a late-stage clinical biotechnology company focused on the discovery, development and commercialization of novel protein immunotherapies for the potential treatment of diseases that involve amyloid or cell adhesion. The company is developing antibody-based product candidates that target a number of potential indications including AL amyloidosis (NEOD001), Parkinson's disease and other related synucleinopathies (PRX002), and psoriasis and other inflammatory diseases (PRX003).
