Travelzoo Provides Updated Revenue Guidance for Q4 2022

NEW YORK, December 16, 2022 — Travelzoo® (NASDAQ: TZOO), a global Internet media company that provides exclusive offers and experiences for members, updates its guidance for the current quarter ending December 31, 2022, as follows: For Q4 2022, we expect substantially higher revenue of approx. $18.5 million, up 31% year-over-year.

Travelzoo provides this update to clarify that its revenue trend is different from travel suppliers or online travel agencies. As a media and membership business, Travelzoo is benefiting from demand for travel weakening from the heights of the post-pandemic pent-up demand. Travel suppliers are increasingly in need again to promote their offers to Travelzoo members.

Holger Bartel, Global CEO, said: “We have more and better offers for our members again, and revenue growth is accelerating.”
