Travelzoo Wins Three Gold Awards at the Canadian Online Publishing Awards

TORONTO, March 12, 2026—Travelzoo® (NASDAQ: TZOO), the club for travel enthusiasts, received three Gold awards at the 17th annual Canadian Online Publishing Awards (COPAs).

Travelzoo won Gold for its iconic Top 20®, our curated selection of the best travel deals in Canada. The Top 20, published weekly since 1999, is the Internet's longest-running newsletter.

We also won “Best Travel Story” and “Best Photojournalism” for *Malta Moved Me: A First-Timer's Tale* in partnership with Visit Malta.

Travelzoo's continued success at the COPAs—we've won eight Golds in the last four years—marks it as the source for travel enthusiasts seeking exclusive deals, tips and destination inspiration.

“Club members love our curated content and modern travel enthusiast vibe, and we're delighted to see it recognized by digital media professionals as well,” said William Brown, Travelzoo's General Manager, Canada.

The COPAs receive hundreds of entries each year and are judged by a panel of digital media experts.
