

Tyler Technologies Featured in CFO IT Magazine

Tyler was highlighted in CFO Magazine's Summer 2003 IT special issue as one of several companies that are using a range of technologies to communicate with shareholders. The article entitled, *Nothing to Hide*, discusses how "many corporate IR departments are adopting technologies that allow investors to access multiple levels of information in innovative, interactive formats" to comply with the new Sarbanes-Oxley regulations.

Brian Miller, Tyler's Vice President - Finance, is quoted on pages 1 and 3 of the article, which may be viewed in its entirety by clicking on the link below.
