TYLER TECHNOLOGIES TO PRESENT AT UPCOMING INSTITUTIONAL INVESTOR CONFERENCES

Dallas, May 22, 2006 -- Tyler Technologies, Inc. (NYSE: TYL) today announced its upcoming participation at two institutional investor conferences. Management presenters are John Marr Jr., President and CEO, and Brian Miller, Senior Vice President and CFO.

- Cowen and Company's 34th Annual Technology Conference, being held May 31 through June 2, 2006, at The New York Palace Hotel, New York. Tyler's management will present on May 31 at 1:55 p.m. Eastern Time. The conference is focused on leading public and private technology companies.

- Friedman, Billings, Ramsey's 10th Annual Growth Investor Conference, being held May 31 and June 1, 2006, at the Grand Hyatt New York. Tyler's management will present on June 1 at 9:00 a.m. Eastern Time. The conference will showcase the technology, media, telecom and healthcare sectors.

A live and archived audio Web cast of each presentation will be available via the investor relations section of Tyler's Web site at http://www.tylerworks.com.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services to local governments. Tyler partners with clients to make local government more accessible to the public, more responsive to needs of citizens, and more efficient. Tyler's client base includes more than 6,000 local government offices throughout all 50 states, Canada, Puerto Rico and the United Kingdom. *Forbes* Magazine named Tyler one of the "200 Best Small Companies" in America in 2004. More information about Tyler Technologies can be found at www.tylerworks.com.

Tyler Technologies, Inc. has included in this press release "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 concerning its business and operations. Tyler Technologies expressly disclaims any obligation to release publicly any updates or revisions to these forward-looking statements to reflect any change in its expectations. These expectations and the related statements are inherently subject to risks and uncertainties that could cause actual results to differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to, changes in competition, changes in general economic conditions, changes in the budgets and regulatory environments of the Company's customers, risks associated with the development of new products and the enhancement of existing products, the ability to attract and retain qualified personnel, and other risks detailed from time to time in the Company's filings with the Securities and Exchange Commission.
