# TYLER TECHNOLOGIES TO PRESENT AT 2007 AEA CLASSIC FINANCIAL CONFERENCE

**Dallas, October 26, 2007** -- Tyler Technologies, Inc. (NYSE: TYL) announced today that it will present at the annual AeA Classic Financial Conference, being held November 5-7, 2007, at the Monterey Conference Center in Monterey, California. Brian Miller, Senior Vice President and Chief Financial Officer, will present a total of eleven times during Session 1 of the conference, beginning on Monday, November 5.

A live and archived webcast of the presentation at 8:00 a.m. Pacific Time on Monday, November 5, will be available at the Investor Relations section of the Company's Web site at www.tylertech.com.

For more information on the AeA Classic Financial Conference, please visit www.aeanet.org/FinancialServices/AeAClassic.asp.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to make local government more accessible to the public, more responsive to needs of citizens, and more efficient. Tyler's client base includes more than 6,000 local government offices throughout all 50 states, Canada, Puerto Rico and the United Kingdom. Tyler has been named one of "America's 200 Best Small Companies" by *Forbes* Magazine and one of "America's 100 Most Trustworthy Companies" by Audit Integrity, an independent research firm. More information about Tyler Technologies can be found at www.tylertech.com.

*Tyler Technologies, Inc. has included in this press release "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 concerning its business and operations. Tyler Technologies expressly disclaims any obligation to release publicly any updates or revisions to these forward-looking statements to reflect any change in its expectations. These expectations and the related statements are inherently subject to risks and uncertainties that could cause actual results to differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to, changes in competition, changes in general economic conditions, changes in the budgets and regulatory environments of the Company's customers, risks associated with the development of new products and the enhancement of existing products, the ability to attract and retain qualified personnel, and other risks detailed from time to time in the Company's filings with the Securities and Exchange Commission.*
