Tyler Technologies to Present at the Hodges Capital Management 11th Annual Investment Forum

Dallas, August 27, 2009 -- Tyler Technologies, Inc. (NYSE: TYL) announced today that management will present at the Hodges Capital Management 11th Annual Investment Forum, being held at the Rosewood Crescent Hotel in Dallas, Texas, on September 2, 2009. Brian Miller, Tyler's Executive Vice President and Chief Financial Officer, is scheduled to present on Wednesday, September 2 at 3:40 p.m. Central Time. A live and archived Webcast of the presentation will be available on the Investor Relations section of the Company's Web site at www.tylertech.com.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to make local government more accessible to the public, more responsive to needs of citizens, and more efficient. Tyler's client base includes more than 8,000 local government offices throughout all 50 states, Canada, Puerto Rico and the United Kingdom. Tyler has been named one of "America's 200 Best Small Companies" for two consecutive years by *Forbes* Magazine. More information about Tyler Technologies can be found at www.tylertech.com.

Tyler Technologies, Inc. has included in this press release "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 concerning its business and operations. Tyler Technologies expressly disclaims any obligation to release publicly any updates or revisions to these forward-looking statements to reflect any change in its expectations. These expectations and the related statements are inherently subject to risks and uncertainties that could cause actual results to differ materially from those set forth in, contemplated by, or underlying the forward-looking statements. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to, changes in competition, changes in general economic conditions, changes in the budgets and regulatory environments of the Company's customers, risks associated with the development of new products and the enhancement of existing products, the ability to attract and retain qualified personnel, and other risks detailed from time to time in the Company's filings with the Securities and Exchange Commission.
