

## Tyler Technologies to Provide Appraisal Services to Lake County, Ohio

**DALLAS -- August 17, 2010** -- Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Lake County, Ohio, to provide real property appraisal services for the county's 2012 general reassessment. The services, valued at approximately \$1.4 million, include establishing property values for all real property and land parcels, as well as other related services.

"Lake County successfully uses Tyler's IAS property assessment and tax software, so we know Tyler understands Lake County," said Ed Zupancic, Lake County's auditor. "Tyler has a proven track record for completing reappraisals in Ohio, and we take comfort in the fact that Tyler's employees have decades of appraisal experience."

"We're happy that Lake County has chosen to expand its partnership with Tyler for its appraisal service needs," said David J. Johnson, president of Tyler's CLT Appraisal Services. "With more than 70 years of appraisal experience, Tyler's Appraisal & Tax division is known for its dependability for completing projects on time and on budget. We look forward to our continuing relationship with Lake County."

Lake County is located directly east of Cleveland on the southern shore of Lake Erie. The county has more than 111,000 parcels.

### **About Tyler Technologies, Inc.**

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible, and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, Puerto Rico and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years.
