Tyler Technologies Wins Odyssey® Courts & Justice Software Contracts with Walker and Medina Counties in Texas

DALLAS – October 22, 2010 – Tyler Technologies, Inc. (NYSE: TYL) has signed contracts to provide its integrated court case management software solution to Walker and Medina counties in Texas. In total, the contracts are valued at more than $1.9 million.

Walker and Medina counties have invested in Tyler's Odyssey Online™ solution — delivered via the Software as a Service (SaaS) model. Both counties were using Tyler's previous generation Unix-based judicial system. By choosing Odyssey Online, the counties will implement a technologically advanced solution that's hosted within a state-of-the-art datacenter and managed and protected by Tyler's experienced IT staff. Based on the agreements, Tyler will handle installation, upgrades, support and maintenance. Both counties will implement the fully integrated suite including Case Manager, Law Enforcement, Jail, Prosecutor and Supervision.

“Tyler's emphasis on integrated justice solutions provides clients like Walker and Medina counties with a unified courts and justice platform that meets the needs of all agencies and offers an enterprise-wide view of vital justice information,” said Bruce Graham, president of Tyler's Courts & Justice Division. “With the Odyssey Online solution, Walker and Medina counties can take advantage of a truly integrated system that provides comprehensive functionality for the full life-cycle of a case. We're glad both counties chose to leverage its current relationship with Tyler and we look forward to our continued partnership.”
