

Tyler Technologies Signs Three Software Contracts in Texas

Texas Cities and County Choose Tyler's Incode Solution

Tyler Technologies, Inc. (NYSE: TYL) has signed contracts with Orange County, Texas, and the Texas cities of Greenville and Georgetown for Tyler's [Incode](#) local government software solution. The agreements include software licenses, maintenance, support and related professional services.

All three contracts will implement Tyler's Incode financial and personnel solutions, and the cities of Georgetown and Greenville will additionally implement Incode's Utility CIS and [Court Case Management](#) solutions.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
