

Tyler Technologies Annual Conference to Be Held April 26-29, 2011

Tyler's Conference to be Held at Iconic Nashville Hotel

Tyler Technologies, Inc. (NYSE: TYL) will hold Connect 2011: An Educational and Networking Conference at the Gaylord Opryland® Resort & Convention Center in Nashville, Tenn., on April 26-29, 2011. The conference gives clients the opportunity to attend informational training sessions, demonstrations and workshops with other users of Tyler's Eagle, Eden, iasWorld®, Incode, Munis®, Orion and Public Safety [products](#).

Many of the [more than 600 classes](#) offered at the conference will be eligible for Continuing Professional Education (CPE) credits through the National Association of State Boards of Accountancy (NASBA). Orion and iasWorld attendees can receive International Association of Assessing Officers (IAAO) Recertification Credit for attending sessions and workshops.

"Connect is a great way for Tyler to help our clients leverage and maximize their investment in our technology and services by providing the opportunity to network and exchange best practices with other professionals and through our robust training and educational opportunities," said John Marr Jr., Tyler's president and chief executive officer. "Tyler values its clients and the relationships we've built, and we look forward to bringing everyone together in Nashville at our Connect conference."

Tyler's sponsors for Connect 2011 include MicrosoftDynamics®, ExecuTime™ Software, ProfitStars® and Selectron.

Clients can register for Connect 2011: An Educational and Networking Conference by visiting: <https://www.tylertech.com/Connect2011/>.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
