

Tyler Technologies Signs Two Local Government Contracts in Missouri

Missouri Cities Choose Tyler's Incode Product

Tyler Technologies, Inc. (NYSE: TYL) has signed contracts with the Missouri cities of Washington and Jefferson City for Tyler's [Incode](#) local government software. The agreements include software licenses, maintenance, support and related professional services.

Washington and Jefferson City will implement Incode's [Court Case Management](#) system; and, the city of Washington has chosen to install additional modules of Incode's product suite, including financial, personnel management and utility services.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years.
