

Tyler Technologies Signs Three ERP Deals in California

Tyler's Munis® and Eden Systems Chosen By Three Public Sector Entities

Tyler Technologies, Inc. (NYSE: TYL) will provide its Munis® and Eden [enterprise resource planning](#) (ERP) systems to the Alameda County Waste Management Authority, El Monte City School District and the City of Santee under separate contracts that include software licenses, maintenance, support and related professional services.

Alameda County Waste Management Authority and El Monte City School District will implement a variety of applications from Tyler's [Munis](#) solution. The City of Santee will implement Tyler's [Eden](#) solution, including financial and human capital management applications.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
