

South Carolina City Chooses ERP Solution from Tyler Technologies

City of Florence Signs Contract for Tyler's Munis® ERP Solution

Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with the city of Florence, S.C., for Tyler's Munis® [enterprise resource planning](#) (ERP) solution. The agreement includes related professional services, maintenance and support.

After a competitive review process, Florence selected Tyler's Munis ERP solution for being a powerful, off-the-shelf system that allows for customization. The city decided to invest in a wide range of [Munis](#) applications, including financial management, human capital management, self-service and content management.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
