

Georgia City Selects ERP Solution from Tyler Technologies

City of Alpharetta Signs Contract for Tyler's Munis® ERP Solution

DALLAS – Sept. 13, 2011 – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with the city of Alpharetta, Ga., for Tyler's Munis® [enterprise resource planning](#) (ERP) solution. The agreement includes related professional services, maintenance and support.

After a competitive review process, Alpharetta selected Tyler's Munis ERP solution for being a fully integrated and technologically advanced system that offered strong reporting and data management and analysis capabilities. Alpharetta, a northern suburb of Atlanta with an estimated population of 120,000 during the work week, decided to invest in a wide range of [Munis](#) applications, including financial management, human capital management, payroll, property tax billing, citizen self service and content management.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of “America's 200 Best Small Companies” for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
