

Tyler Technologies Signs Contract With a Florida City for Tyler's ERP Solution

Plant City, Fla., Signs Agreement for Tyler's Munis® ERP Solution

DALLAS – Sept. 27, 2011 – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with Plant City, Fla., for Tyler's Munis® [enterprise resource planning](#) (ERP) solution. The city selected Munis for its ability to track, manage, reconcile and forecast finances while eliminating redundant procedures and generating increased efficiencies.

The city spent seven months evaluating proposals, attending software demonstrations, and interviewing other governments that utilize each system Plant City was considering before determining that Tyler Technologies best met their needs. The city plans to invest in a wide range of [Munis](#) applications, including financial management, human capital management, citizen and employee self service, utility billing and content management.

About Tyler Technologies, Inc.

Based in Dallas, Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector—cities, counties, schools and other government entities—to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 9,000 local government offices throughout all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* Magazine named Tyler as one of "America's 200 Best Small Companies" for three consecutive years. More information about Tyler Technologies can be found at www.tylertech.com.
