

Tyler Technologies Signs ERP Agreements With Two Pennsylvania Towns

South Whitehall Township and State College Borough Choose Tyler's Munis® ERP Solution

DALLAS – Nov. 17, 2011 – Tyler Technologies, Inc. (NYSE: TYL) has signed agreements with Pennsylvania's South Whitehall Township and State College Borough for Tyler's Munis® [enterprise resource planning](#) (ERP) solution. The agreements include software licenses, related professional services, maintenance and support.

South Whitehall Township, a suburb of Allentown, and State College Borough, the largest borough in Centre County, both selected a wide array of [Munis](#) applications, including financial management, human capital management, self service and content management.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
