

## Tyler Technologies Signs Local Government Contract With County in New Mexico

*Valencia County selects Tyler's Incode® and Eagle solutions*

**DALLAS – Jan. 26, 2012** – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Valencia County, N.M., for Tyler's [Incode®](#) and [Eagle](#) local government solutions. The agreement, valued at approximately \$1 million, includes software licenses, related professional services, maintenance and support.

Valencia County decided to invest in a wide range of Eagle [land and vital records](#) and appraisal and tax applications, as well as Incode financial management applications, to help improve workflow and eliminate duplicate data entry. The county of approximately 77,500 residents is about 25 miles south of Albuquerque.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
