

## Tyler Technologies Signs ERP Contract With Two Florida Towns

*Florida's Miami Lakes and Jupiter sign agreements for Tyler's Munis® ERP Solution*

**DALLAS – Feb. 15, 2012** – Tyler Technologies, Inc. (NYSE: TYL) has signed agreements with the Florida towns of Miami Lakes and Jupiter for Tyler's Munis® [enterprise resource planning](#) (ERP) solution. The agreements include software licenses, related professional services, maintenance and support.

Miami Lakes, a suburb of Miami, selected Tyler's Munis to gain efficiencies, which its current system lacked, from the integration of disparate systems, such as pooled accounting transactions and tracking of grants and capital projects.

Jupiter, located in Palm Beach County, and Miami Lakes both selected a wide array of [Munis](#) applications, including financial management, human capital management, self service and content management.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
