

## Tyler Technologies Annual Conference to Be Held April 10-13, 2012

*More than 700 classes, many eligible for CPE credits, available to Tyler clients*

**DALLAS – Feb. 16, 2012** – Tyler Technologies, Inc. (NYSE: TYL) will conduct its annual user conference, Tyler Connect, April 10-13, 2012 at the Gaylord Texan® Resort in Grapevine, Texas. The conference gives clients the opportunity to attend training sessions, product demonstrations and workshops with other users of Tyler’s Eagle, Eden, iasWorld®, Incode®, Munis®, Odyssey®, Orion, Tyler Public Safety, Tyler SIS and Versatrans® products.

Many of the [more than 700 classes](#) offered at the conference will be eligible for Continuing Professional Education (CPE) credits through the National Association of State Boards of Accountancy (NASBA). Orion and iasWorld attendees can receive International Association of Assessing Officers (IAAO) Recertification Credit for attending sessions and workshops.

“Connect is a great platform from which Tyler professionals can share their domain expertise directly with clients in small groups, and where our clients can exchange real-world experiences and best practices with their peers for everyone’s benefit,” said John S. Marr Jr., Tyler’s president and CEO. “Whether it’s our evergreen perpetual-licensing philosophy or events like Connect, Tyler is always looking for ways to help clients leverage and maximize their investment in our technology and services. We look forward to the education, networking and information-sharing that will occur at Connect 2012.”

Tyler’s sponsors for Connect 2012 include Microsoft Dynamics® AX 2012, Paymentus, ExecuTime™ Software and Selectron Technologies.

Clients can register for Connect 2012 by visiting: <http://www.tylertech.com/connect2012>.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of “America’s Best Small Companies” four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
