

Tyler Technologies Signs Integrated Local Government Contract With the City of Las Vegas, New Mexico

City selects Tyler Incode® and Tyler Public Safety Solutions

DALLAS – Feb. 29, 2012 – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with the city of Las Vegas, N.M, for an integrated Tyler solution to help the city increase efficiencies and decrease workloads across multiple departments. The agreement includes software licenses, related professional services, maintenance and support.

Las Vegas, with a population of approximately 14,500, purchased Tyler’s [Incode®](#) local government and court case management software and [Tyler Public Safety](#) solutions. The city has made the decision to invest in a wide range of integrated Incode applications, including financial management, human capital management, content management, utility billing and citizen services.

Tyler’s Incode, Eagle and Public Safety solutions are found in more than 70 New Mexico municipalities, municipal courts, county offices, police departments and public utilities.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of “America’s Best Small Companies” four times in the last five years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
