

Tyler Technologies Signs Appraisal Contract in New York

Town/Village of Scarsdale selects Tyler's CLT Appraisal Services

DALLAS – June 13, 2012 – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with the Town/Village of Scarsdale, N.Y., to provide real property [appraisal services](#) for a municipal-wide revaluation. The contract for Tyler's CLT Appraisal Services includes establishing property values for all real property and land parcels, which includes comprehensive public information and data quality control programs. The revaluation will be conducted over a two-year period and is expected to conclude in 2014.

Scarsdale, which is located in Westchester County and is a northern suburb of New York City, last reassessed its approximately 5,900 properties in 1969. Tyler's CLT Appraisal Services has appraised properties since 1938, completing more than 3,000 appraisal projects in 46 states.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
