

Arizona's Mohave County Signs Contract with Tyler Technologies For Comprehensive Local Government Solution

Mohave County selects Tyler's Eagle solution to centralize office functions

DALLAS – June 27, 2012 – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Mohave County, Ariz., for Tyler's [Eagle](#) local government solution. Mohave County selected multiple products from Tyler's Eagle suite for its integrated offering of a complete general ledger system, flexible administration tools and Web-enabled public access. The agreement includes software licenses, related professional services, support and disaster recovery services.

Under the agreement, Mohave County will implement [Eagle Treasurer](#), Eagle Assessor and Eagle Web, and Tyler will provide disaster recovery services from its data center in Dallas. Mohave County also currently uses Tyler's Munis® [enterprise resource planning](#) solution and Eagle Recording. Mohave County, located in the northwestern corner of Arizona, has a population of approximately 200,000 and is home to Kingman, Bullhead City and Lake Havasu City.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
