

## Tyler Technologies Signs Local Government Contract in Colorado

*Fremont County signs 7-year SaaS agreement for Tyler's Eagle and Incode® solutions*

**DALLAS – July 18, 2012** – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Fremont County, Colo., for Tyler's [Eagle](#) and [Incode](#)® local government solutions under a 7-year software as a service (SaaS) contract. Fremont County selected Eagle and Incode solutions to give the county a more functional enterprise-wide software solution that also enables public access to government information via the Web.

The contract includes multiple products from Tyler's Eagle and Incode suites, such as Eagle Assessor, Eagle Treasurer, Eagle Recorder, EagleWeb, Incode Financial Management and Incode Personnel Management. The agreement also incorporates software licenses and related professional services.

Fremont County has about 47,000 residents and is located 35 miles southwest of Colorado Springs.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
