

Converse, Texas, Chooses Integrated Local Government Solutions From Tyler Technologies

City of Converse selects Tyler's Incode® and Tyler Public Safety solutions for city-wide integration

DALLAS – Aug. 8, 2012 – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with the city of Converse, Texas, to implement Tyler's [Incode](#)® local government solution and Tyler Public Safety to replace three disparate application suites. The agreement includes software licenses, related professional services, maintenance and support.

Converse selected a wide array of applications from Incode's integrated product suite, including financials, personnel, criminal [court case management](#), content management, utility management and citizen services. The contract for [Tyler Public Safety](#) includes computer aided dispatch, records management and mobile applications. Converse has a population of approximately 18,000 and is a suburb of San Antonio.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
